

OFFICE OF STRATEGIC SERVICES

INTEROFFICE MEMO

TO: Major Jenkins

DATE: June 4, 1943

FROM: Lt. J. W. McWatters

SUBJECT: Telephone Conversation.

1. Relative to telephone conversation of this afternoon regarding Technical Sgt. Robert E. Lang, Administrative Clerk, Message Center, I am forwarding this note to confirm conversation.

2. It is expected Sgt. Lang will be at your camp on Tuesday afternoon, June 8, for a period of approximately two weeks, during which time he should be instructed the rudiments of soldiering, since he never had any basic training whatever. He should of course have some weapons training, and I think he is interested in our cryptographic course and may be desirous also in gaining whatever knowledge he may be able to about the radio training.

3. Sgt. Lang at some future date will be leaving for an overseas station and this general course for the next two weeks will be indeed very helpful to him when he is in the field.

4. I shall arrange for the proper orders through the Headquarters Detachment for his assignment on temporary duty.

For the Communications Officer:

J. W. McWATTERS  
2nd Lt., A.G.D.
